

HIV: Sign and Symptom Journal

Print this PDF and use it to track your health between visits to your health care provider. Then, bring the sheet with you on each visit to your health care professional. Store the printout in your **Personal Health Folder** so it's easily accessible (and available if you need to share the information with a caregiver). To use the chart below:

- Keep track of any signs and symptoms you may be feeling by checking what applies to you
- Use this page to help you describe your signs and symptoms to your health care professional
